With the close of 2019 and start of 2020, a new decade of promise turned into one of difficulty. The COVID-19 crisis and social unrest are unprecedented events that have had noticeable impact on San Benito County and the world. We have witnessed community members and nonprofits step up to assist, lead, and volunteer to help their “neighbors”. It is with tremendous gratitude that we thank our generous donors who became part of the solution. I am proud of all the work that we have done together, as a true community, and am hopeful for a brighter future for us all.
